The Elders would like to solicit your help in planning Bible classes that meet members' interests and needs. We have provided a form on the table in the foyer on which you can provide us with suggestions for textual and topical classes. Please return your suggestions to one of the elders by Sunday, February 19. We appreciate any assistance you can provide to help ensure that our classes challenge us to live successfully as Christians and address issues that we face each day.

Starting **February 26<sup>th</sup>**, there will be an **EVANGELISM CLASS** on Sunday afternoons at 3:30 p.m. *We will be learning how to evangelize the lost around us, how to set up Bible studies, marking a set of Bibles to use in studies, what to say at the door (and what not to say...), door knock, and suggestions on how to talk to friends and family members about the Bible.* Everyone is encouraged to attend. We plan to take as many classes as we need to cover the material but the class will include approximately 4 sessions.

*We are glad to welcome* **JASON BYRD** into our midst. Jason has been visiting for a while and now he wants to become a part of the work here. Please take a moment to make him feel at home by meeting and welcoming him.
