### **Dear Centerville Road Family:**

As we continue to work to help keep members and visitors safe during this time, we thank everyone for wearing the masks and continuing to social distance.

Many of our members have indicated those measures make them feel safer. As we deal with this present situation, *we want to emphasize wearing of masks properly, covering the nose and mouth, while you are in the building.* Please exit the building as soon as services are over and make sure that you are properly social distancing.

***We will have someone at the building the next several Saturdays (from 9:00 – 11:00 am) for members to pick up communion supplies and drop off the offering.*** Hopefully, in a few weeks we can return to rebuilding our services in a way that we are all together.

Again, thanks so much for your cooperation, please remember and call on our members who may need help, and pray for our members that are teachers, first responders and health care professionals.

**Thanks, the Elders**

*Rejoice always, pray without ceasing, in everything give thanks; for this is the will of God in Christ Jesus for you.*
