**Dear Centerville Road Family:** We ask that you continue to wear masks and social distance. Many of our members have indicated those measures make them feel safer. As we deal with this present situation, we want to emphasize wearing of masks properly, covering the nose and mouth, while you are in the building. Please exit the building as soon as services are over and make sure that you are properly social distancing. Again, thanks so much for your cooperation, please remember to continue to call on our members who may need help, and pray for our members that are teachers, first responders and health care professionals.

**Thanks, the Elders**
