**Dear Centerville Road Family:** We ask that you continue to wear masks and social distance. Many of our members have indicated those measures make them feel safer. As we deal with this present situation, *we want to emphasize wearing of masks properly, covering the nose and mouth, while you are in the building.* Please exit the building as soon as services are over and make sure that you are properly social distancing. *Again, thanks so much for your cooperation, please remember to continue to call on our members who may need help, and pray for our members that are teachers, first responders and health care professionals.*

### **In Our Prayers ...**

- ✚ **Patricia Brown,** sister of *Lucy Newton,* was released on Tuesday to continue her recovery and in-home rehab.
- ✚ **Peggy Minter, sister of Naomie Hall and Nieva Grubbs,** has been treated for an aggressive and inoperable Stage 3 Mucosal Melanoma. She was recently hospitalized with dehydration.
- ✚ **Mark Howell** was scheduled to begin a 24-week series of treatments.
- ✚ **Please keep Clara Taylor,** mother of Steve Meadows, in your prayers.
- ✚ **John Robertson, Karen Windsor's** dad, received results on his recent scan. There were no other tumors shown except in the scapula near the shoulder and spleen that were previously found and are slow growing.

*Please continue to keep those who remain shut-in and confined at their homes and care centers. Give them a call or send a card of encouragement when you can.*

And let us not grow weary while doing good, for in due season we shall reap if we do not lose heart. Therefore, as we have opportunity, let us do good to all, especially to those who are of the household of faith.
