Greetings from Cold Springs Church of Christ,

Hope this letter finds your congregation healthy, optimistically coming out of the pandemic. It has been a tough period of time for many of our congregations and perhaps sharing good news is a way to promote optimism. With this in mind, we would like to share some good news with you. We have recently installed three new elders here at Cold Springs Church of Christ: Joe McCall, Narlon Clemons, and Jason Nicholas.

We had been without elders for the last 10 years, so this is a stride for us in the direction of becoming more sound in our infrastructure and taking care of the flock here. It took us three years, partly because of Covid, to get to this point and are grateful to the many leaders who came before these men and the many that will join them in future service. We see the Lord's church continuing to grow, in spite of and maybe even because of the challenges we now face, and pray that yours will also. Just wanted you to rejoice with us in this addition, as well as covet your prayers for these three men in their service to the Lord in their ministry at Cold Springs Church of Christ.

Please feel free to share this information with your congregation, and we would love to hear from you if there is news that you would like to share.

In Him,
Mark Hancock, Pulpit Minister at Cold Springs Church of Christ
