*We congratulate our two
College graduates
Madison Stevens and Tyler Bush.*

Madison will graduate on May 6 from Harding University with a *Bachelor of Science in Nursing*. She will begin her new job in June as a NICU nurse at *East Tennessee Children's Hospital in Knoxville, TN*.

Tyler will receive his diploma on May 6 from *Heritage Christian University* with a *Bachelor of Arts in Bible*.

Kingdom Kids will officially **begin next Sunday, April 23 at 5:00 p.m.** We invite all youth ages 4 years old – 5th grade to sit in the first two rows in front of the youth group before service begins. We will then have 10-12 minutes of key passage memorization and singing to help us learn scripture. The children will rejoin their parents/grandparents and worship will begin.

In Our Prayers ...

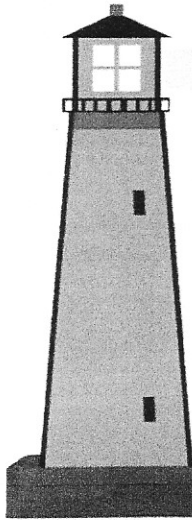

- ✚ **Sherry Heil** will consult with the oncologist on April 18 and thy will decide about surgery. Chemotherapy begins on April 25th.
- ✚ **Iris Ramsey** had surgery on Wednesday to relieve blockage with her AV graft for her dialysis treatment. She was able to have another treatment on Thursday.
- ✚ **Sammye Martin** needs our prayers of comfort.
- ✚ **Jack Roach** has been moved to rehab (in Gatesville) to begin regaining strength (after his bout with Covid) to prepare for surgery. Please also keep **Betty** in your prayers.
- ✚ **Please also keep** our Missionaries, Government Leaders, U.S. Troops, and First Responders in your prayers. **Ron Coleman** has traveled to New Zealand for mission work.

Undergoing Treatments:

- ✚ **Paul Lamb** **Iris Ramsey (dialysis)**

Hospice Care:

- ✚ **Joyce Landrum**
Renee Russell – mother of Raelynn Bush.

This letter is sent as an announcement and invitation for an opportunity to learn about the "Four Seas College of Bible and Missions" in Singapore. Two of our members at the Beacon church of Christ, Ralph and Jennifer Wemli, have been active in traveling to Singapore for several years to present lessons at the Four Seas Lectureship. Peter Chin is the Lectureship director and graduate of the Memphis School of Preaching. Brother Chin will be at the Beacon church of Christ on Wednesday April 26, 2023 at 6.00 PM to give a presentation on the work of the Four Seas College of Bible & Missions. The Four Seas College of Bible and Missions has actively served the Lord's church in Asia for 52 years through the teaching and training of Christians who have graduated to become preachers, evangelists, church ministry leaders, Sunday School teachers, and more. The results of their extended efforts have influenced countries across Asia including Malaysia, Singapore, Indonesia, Cambodia, Vietnam, Laos, Thailand, Philippines, China, Hong Kong, Taiwan, Nepal, India and Sri Lanka.

Peter Chin

The elders and members of the Beacon church of Christ are extending this invitation to any Elder, Deacon, Preacher or Member of the Lord's church in the North East Texas area who would like to attend this one-hour informative session. We request that any attending to please RSVP the Beacon church of Christ by the second week of April. We can be reached at the contact information included at the top of this page.

Thank you in advance for any interest you may have in learning about or supporting the Lord's work in Singapore.

THE CHURCH OF CHRIST

at Granbury Street

April 5, 2023

Dear Brethren,

We are excited to announce our upcoming Seminar with Dr. Jeff Miller from Apologetics Press. He will be with us May 12th through the 14th, presenting a series of lessons on the theme: "Christians Can Be Confident About Creation." We hope that you will make plans to attend all, or at least part, of these lessons and be edified with us.

Jeff Miller is a scientist as well as a preacher. He is a biomechanical engineer and holds an earned B.S. degree in Physical Science from Freed-Hardeman University, as well as B.S. and M.S. degrees in Mechanical Engineering from the University of Texas at Arlington (UTA) with emphases in Thermodynamics and Bio-thermal Science, Bio-transport Phenomena, and Biomechanics. He also holds an earned Ph.D. in Mechanical Engineering from Auburn University, with an emphasis in Navigation and Control of Biological Systems.

He currently teaches Christian Evidences for Bear Valley Bible Institute and serves as the full-time science writer at Apologetics Press in Montgomery, AL, as well as the Associate Editor of the monthly Christian evidences journal, "Reason & Revelation" and the editor of the A.P. Bible Class Curriculum. He is the author of several books, including "Flooded" and "Science vs. Evolution."

You will surely benefit from hearing Brother Miller's insightful and knowledgeable presentation of Bible truth. This series of lessons will address several pressing questions, beneficial for new as well as seasoned Christians. These are topics we believe will become more important for the church to deal with as society moves further away from a Biblical worldview.

We ask that you make your membership aware of this special event in your announcements and please post the attached flyer. We are thankful for your participation and our joint fellowship in the body of Christ. We look forward to having you visit with us.

In His Service,

John Haffner

Christians Can Be Confident About Creation

Session I: The Evidence Points to God

Belief in the existence of God is not a "blind faith."

Session II: Which God Exists?

It's one thing to prove a god exists, but how can we know which One?

Sessions III-IV: The Biblical Creation Model

What do the Bible and modern science tell us about the true history of the Universe?

Session V: Is Creation Scientific?

What scientific predictions does the Creation Model make about the Universe, and are there evidences to support its predictions?

Session VI: Is Creation Scientifically Defensible?

Can modern attacks against biblical Creation and the Flood be sustained when examined fairly?

Session VII: Why Become A Christian?

In a day when God and His Word are scoffed at and attacked by the naturalistic community, why would anyone want to be a Christian?

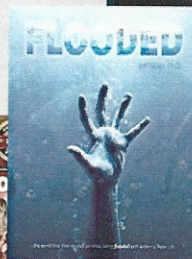

Dr. Miller is a biomechanical engineer and holds an earned B.S. degree in Physical Science from Freed-Hardeman University, as well as B.S. and M.S. degrees in Mechanical Engineering from the University of Texas at Arlington (UTA) with emphases in Thermodynamics and Bio-thermal Science, Bio-transport Phenomena, and Biomechanics. He also holds an earned Ph.D. in Mechanical Engineering from Auburn University, with an emphasis in Navigation and Control of Biological Systems.

For more information
please call:

817-517-7713

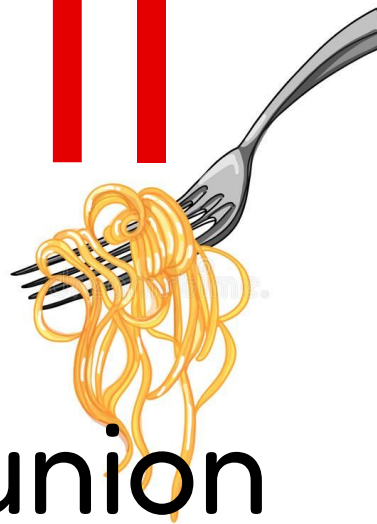

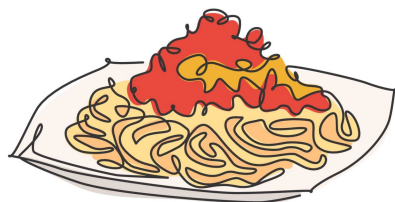

He has presented research in technical science conferences across the country, has published research internationally in peer-reviewed technical science journals, and is an active and recognized member of the scientific community, being a member of the American Society of Mechanical Engineers, the National Society of Professional Engineers, the American Association for the Advancement of Science, the Creation Science Fellowship, and the Creation Research and Creation Biology Societies. While at Auburn University, he also served as a course instructor, teaching courses in Thermodynamics, Fluid Mechanics, and Heat Transfer, as well as Statics and Dynamics. Dr. Miller has participated in several Creation geologic expeditions with leading Creation geologists in Wyoming, studying seismites in the Lance Formation and dinosaur fossil beds, in several states studying rapid cave formation, and at the Grand Canyon, studying evidences of the Canyon's rapid formation and carving during and after the biblical Flood. He currently teaches Christian Evidences for Bear Valley Bible Institute and serves as the full-time science writer at Apologetics Press in Montgomery, AL, as well as the Associate Editor of the monthly Christian evidences journal, *Reason & Revelation*, and the editor of the A.P. Bible Class Curriculum. He is the author of several books, including *Flooded* and *Science vs. Evolution*.
